

04/timus/1197/main.cpp

```
graph TD; A[04/timus/1197/main.cpp] --> B[iostream]; A --> C[string]; A --> D[vector];
```

The diagram illustrates the dependencies of the file 04/timus/1197/main.cpp. It features a central gray box at the top containing the file path. Three blue arrows originate from the bottom of this box and point to three separate white boxes below it. These boxes are labeled 'iostream', 'string', and 'vector' from left to right, indicating that the main.cpp file includes or uses these standard C++ libraries.

iostream

string

vector
